# Funeral and Memorial Teas

We know that this is a very difficult time and our team here at The Quality Hotel will ensure that all of your arrangements are made with ease and offer your family a warm welcome. On the day our team will be attentive, yet unobtrusive and will deliver a discreet and professional service. To assist in the planning of the occasion we have several Funeral tea options, however, should you require anything additional or an alternate menu then please do just ask.

We aim to meet individual requirements with a selection of private rooms to choose from, catering for all numbers large and small. We have ample free parking with good access for elderly and disabled guests.

**See overleaf for a selection of menu options.**
