## *Congratulations!*

*Now you've decided to get married, everyone will tell you to make the most of the day because it goes so fast. We want to ensure that on your wedding day you won't have to waste your time worrying about arrangements. We'll take care of everything leaving you time to enjoy every moment.*

*This brochure is just the starting point. We understand no two weddings are the same so, whilst our brochure contains information about wedding packages and menus, it is only intended as a guide. By the time you've read through it, we hope many of your questions will have been answered, but that's when our service really starts.*

*Your personal wedding co-ordinator will help to ensure that, from the day you book your wedding reception with us until the big day itself, you won't have to worry about a thing. You tell us what you want and we'll do our very best to make it happen.*

*At Choice Hotels, we believe that planning your wedding should be a pleasure. We look forward to working with you over the coming months to make sure that you have a very happy and memorable wedding day.*

## *Planning Your Wedding*

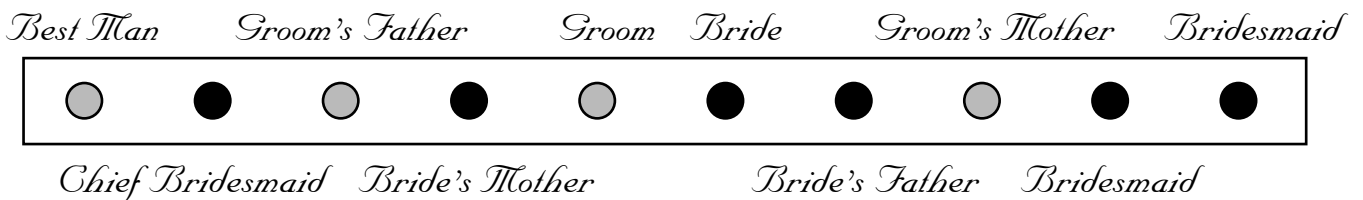

### *Receiving Line*

*You may want to organise a receiving line to welcome your guests formally and to make sure your wedding party is introduced to everyone. Below is a traditional receiving line.*

*Bride's Mother - Bride's Father – Bride – Groom – Groom's Mother - Groom's Father*

*You can also invite your Bridesmaids and Best man to join the receiving line or for a less formal reception, you may want to greet your guests on your own.*

### *Top Table Suggested Plan*

### *Cutting of the Cake*

*After your meal the Master of Ceremonies will announce the cutting of the cake. Guests are given opportunities to take photographs. The bottom tier of the cake is taken away to be cut and served with coffee.*

# Quality Hotel Sunderland

## *Order of Speeches and Toast*

*Our own Master of Ceremonies will be on hand on the day to assist everyone who has to make a speech and to ensure that your reception runs smoothly from beginning to end. Below is a recommended order of speeches that you might like to follow.*

*After coffee and cake have been served the Bride's Father will then propose a toast to the Health and Happiness of the Bride and Groom.*

*The Bridegroom responds thanking both sets of parents if they have contributed. He also proposes a toast to the Bridesmaids.*

*The Best man responds on behalf of the Bridesmaids, generally making a light hearted speech and reading selected cards and telegrams. He finishes with a last toast to the Bride and Groom.*

*For a more informal wedding you may decide to have your speeches before your meal, with the cutting of the cake after your meal.*

## *Grace*

*You may like to ask one of your parents or a close family member to say grace before the meal. Alternatively, the Master of Ceremonies can say grace for you.*
